ENABLE Training School

Working with Patients on Medication Adherence-Practical Solutions

May 2-4, 2022 Malaga, Spain

LEARNING OBJECTIVES of the Training School:

The Training School on **Working with Patients on Medication Adherence-Practical Solutions** is organized by the COST Action CA19132 European Network to Advance Best practices & technology on medication adherence (ENABLE).

The OBJECTIVES are:

- Raising awareness about Medication Adherence (MA) and its importance
- Identifying non-adherence and related factors
- Learning how to manage MA (tips to improve MA)
- Exploring the patient's perspective regarding MA

Important Information:

Type of activity	▪ Hybrid: face-to face + online
Duration of training	▪ 20 hours, 3 days
Language	▪ English
Number of Participants	▪ 17 trainees (face-to face) /24 attendees(online) + More than 10 international trainers with expertise on MA

WHO CAN APPLY?

1. Training School applicants as Trainees must be healthcare professionals (HCP) from any profession (doctor, nurse, pharmacist, psychologist, social worker...) and from the COST participating countries. It could be valued that they are engaged in an official research program as a PhD student, or postdoctoral fellow or can be employed by, or affiliated to, an institution, organization or legal entity which has within its remit a clear association with performing research. Trainees eligible for reimbursement:
 1. Trainees from COST Full Members / COST Cooperating Member.
 2. Action MC Observer from NNC.
 3. Trainees from Approved European RTD Organizations
2. The applicants can apply in the following link <https://enableadherence.eu/apply-for-malaga-training-school-2-4-may-2022/>
