## ENABLE Training School

Working with Patients on Medication  
Adherence-Practical Solutions

May 2-4, 2022 Malaga, Spain

### Training School SYLLABUS:

#### DAY 1

##### WHAT I NEED TO KNOW ABOUT MA BEFORE MEETING THE PATIENT

During this day the basics of current knowledge about MA: definition, determinants and diagnosis methods will be introduced.

#### DAY 2

##### HOW TO WORK WITH PATIENTS ON MA: TIPS AND TRICKS FOR CLINICIANS

During this day the main barriers and facilitators for the implementation of MA enhancing interventions across ENABLE COST countries will be introduced. The trainees will also learn practical tips on how to listen so that patients speak to you and how to speak so that patients understand you.

#### DAY 3

##### SOME CLUES TO UNDERSTAND PATIENTS

During this day the trainees will learn about the different approaches to disease management among patients and professionals and how to work with them in a practical way. They will have the opportunity to discuss in a real-time meeting with patients.

### TAKE-HOME MESSAGES

Clearer ideas about MA, measurement tools to assess it, skills for better patient communication, knowledge about models of illness representation in patients with chronic conditions tips for managing MA).

The training school will have lectures, work-in-group activities, debates, interviews with patients...

Connect with other learners, trainers and patients and debate ideas, discuss course material, and get help mastering concepts.

Earn official recognition for your learning, and share your success with friends, colleagues, and employers.

**Yusuf Hamied Institute for Training and Research in Palliative Care.**

**CUDECA Foundation**
