ENABLE – COST Action CA19132 (ENABLE) maintains this website to enhance public access to our online repository where interested parties would be able to search for medication adherence technologies and learn about them for their research or practice.

Our goal is to keep this information timely and accurate. If errors are brought to our attention, we will try to correct them. However, ENABLE accepts no responsibility or liability whatsoever with regard to the information on this site.

This information is

- Is provided for general information purposes only and not intended to address the specific circumstances of any particular individual or entity;
- Not necessarily comprehensive, complete, accurate or up to date;
- Not professional advice (if you need specific advice, you should always consult a suitably qualified professional).

This website may provide information about medical conditions and role of adherence technologies in their treatment. ENABLE makes no representation that material in the site is appropriate or available for use in the territory of the intended audience. Those who choose to access this site do so on their own initiative and are responsible for compliance with local laws, if and to the extent that local laws are applicable. In addition, nothing on this website should be construed as providing any kind of medical advice or recommendation and should not be relied on as the basis for any decision or action. Specific medical advice should always be sought from a qualified medical practitioner.

This website may link you to other websites on the Internet. Please ensure that you read the legal and privacy policy sections of any third-party site to which you link. ENABLE is not responsible for, does not recommend and accepts no liability for any information or opinion contained in any third-party website.
